Letter from the CITY CLERK

Dear Resident:

Whether you are a new resident or recently purchased a vehicle, you are required to have a vehicle sticker – a small sticker that is displayed on the corner of your windshield. You have 30 days from the purchase of your vehicle or from the time you move to the city to buy your city vehicle sticker.

Vehicle stickers and residential parking permits are available at hundreds of locations throughout the city, including City Clerk offices and online at www.ChiCityClerk.com. For more details on the city sticker and residential parking permit programs or for a complete list of sale locations, visit our website or call 312-74-CLERK.

Sincerely,

A handwritten signature in cursive script that reads "Miguel del Valle". The signature is written in dark ink on a light-colored background.

FREQUENTLY ASKED QUESTIONS ABOUT CHICAGO CITY STICKERS

What is residential parking?

Throughout the city are residential parking zones designed to help ease congestion and make parking easier for residents in that zone. Signs posted in these zones alert you to the zone number and parking restrictions. You can only park on these streets if you have a city sticker with that specific zone number listed on it or you receive a guest parking pass from a resident of that parking zone.

What is a guest pass?

Guest passes are used in residential parking zones by guests of someone who lives in that zone. They are valid for 24 hours and sold in sets of 15 for \$8. These passes are only available for purchase at City Clerk office locations or on the City Clerk website.

What if I move to a new residential parking zone?

If you move to a new zone before June, you must bring your city sticker in whatever condition along with your original receipt to a City Clerk office location. We will then transfer your sticker to the new zone. There is a \$10 fee for this.

What if I buy a new vehicle before my sticker expires?

You must bring in the sticker from your old vehicle along with your new vehicle title information to any City Clerk office location. We will transfer your vehicle sticker to your new car. There is a \$20 fee for this service and it must be done within 30 days of purchasing the new vehicle.

What do I need to do if I just bought my first vehicle?

You have 30 days from the date you purchase the vehicle to get a new city sticker. You must bring in your vehicle title information to city sticker sales location. You can have temporary plates on your vehicle at the time of your city sticker purchase.
